ENVIRONMENTAL POLICY

Beton Bauen Ltd (the 'Organisation') recognises the importance of environmental protection and is committed to operating its business responsibly and in compliance with all legal requirements relating to the provision of specialist concrete repair and protection services. It is the Organisation's declared policy to operate with and to maintain good relations with all regulatory bodies.

It is the Organisation's objective to carry out all measures reasonably practicable to meet, exceed or develop all necessary or desirable requirements and to continually improve environmental performance through the implementation of the following:

- Prevent pollution
- Protect the Environment in all aspects of our business and in particular to significant aspects of our operations, to prevent any adverse environmental effects
- Recycle / reuse materials wherever practical
- Minimise the environmental impact, for the life cycle (including disposal) of all plant, equipment, and other physical assets under our control.
- Comply with legislation regulations & relevant Codes of Practice, at all times (our compliance obligations)
- Establish an Environmental Policy and link to our environmental objectives. Monitor and measure results in line with targets.

This Policy is communicated to all employees, suppliers and sub-contractors and is made available to the public.
