MEMBERSHIP ENDORSEMENT

This confirms that

BETON BAUEN LTD

This Association confirms that the above company is a full member of the Sprayed Concrete Association and as such, abides by its rules and recommendations and has passed the relevant vetting requirement to attain membership.

In order to promote quality, consistency and good working practice to main contractors and clients, the contractor members of the Association undertake to:

- Perform in full accordance with the contract and all relevant British Standards and working practices;
- Have adequate general and technical management expertise and supervisory personnel;
- Have an acceptable form of records regularly maintained, of all employed operatives' training and experience;
- Be members of a recognised Wage Regulatory body;
- Have a system acceptable to the Association for Quality Assurance/Quality Control;
- Operate with due regard to the safety and well-being of employees and the public;
- Demonstrate a proven track record in the field of sprayed concrete.
- Employ only fully qualified operatives with current SCA accreditation.

The Association has a Complaints Procedure complying with company statutory requirements for environment, health and safety, racial equality and equal opportunities, and should any member not perform within the criteria listed above, please notify me.
