# HEALTH & SAFETY POLICY

---

This Statement sets out the policy of Beton Bauen Limited (The Company) in respect of any employee, self-employed person and contractor under our control whose Health & Safety may be affected by our work activities. Its intention is to assist in protecting all our personnel whilst at work and to assist the Company in fulfilling its legal and moral obligations.

In addition to the groups of persons mentioned above, this Policy is also intended to assist in ensuring that all Clients and other persons who may come into contact with this Company or its premises or its activities (whether or not work-related) are not adversely affected with regard to their Health & Safety.

Provided that persons referred to above adhere to the provisions and precautions contained within this policy, they will normally be able to work safely and without undue risk to their health. They will also be considered to have demonstrated compliance with their conditions of employment or contract insofar as they refer to Health & Safety at work. All persons referred to above are to be made aware of the contents of this Policy and become familiar with the conditions and precautions laid down. A copy of the Policy will be available at each place of work or at Head Office. Personal copies of the Policy may be obtained on request from Head Office.

## Definitions

In this Policy, the expression 'at work' means whenever and wherever work takes place and may include travel for work (for instance travel between premises, sites, to and from meetings etc.). The term 'legal obligations' refers to the statutory duties laid down principally in The Health & Safety at Work etc. Act 1974, but also in supporting legislation brought under the Act from time to time.

## Policy

The Company will take all reasonable measures to ensure that those persons referred to above are made aware of the contents of this Policy, the possible effects upon their personal Health & Safety and the possible consequences in the event of any breach of this Policy. The Company recognises its obligations under Section 2(1) of The Health & Safety at Work etc. Act 1974 and the various duties and obligations under The Management of Health & Safety at Work Regulations 1999 and associated legislation and will take all reasonable measures to prevent, so far as is reasonably practicable, any breach of duty placed upon the Company by legislation and/or this Policy.

All employees of the Company will at all times exercise diligence in ensuring that this policy is adhered to. Responsibilities of individuals are determined by their grade of employment as detailed elsewhere in this policy.

The Company will undertake, so far as is reasonably practicable, the following:

- a) The provision and maintenance of plant and systems of work that are safe and without risks to health
- b) Arrangements for ensuring safety and absence of risks to health in connection with the supply, use, handling, storage and transporting of articles and substances
- c) The maintenance of premises and places of work which are safe and without risks to health, and safe access to and egress from such places
- d) The provision and maintenance of a working environment for employees without risks to health and adequate as regards facilities and arrangements for their welfare at work

# HEALTH & SAFETY POLICY

---

- e) The provision of such information, instruction, training and supervision as is necessary to ensure the Health & Safety at work of employees
- f) Adequate arrangements to ensure that employees or their representatives are given every facility for consulting with management in promoting and developing measures to ensure the Health & Safety at work of all employees
- g) Systems and procedures which will ensure that all operations and activities are executed at all times in such a manner that persons not in our employment who may be affected by such operations are not exposed to risks to their Health & Safety.
- h) Establish a H&S Policy and link to our health and safety objectives. Monitor and measure results in line with targets.

## Policy Review

This Policy and its associated documentation will be reviewed after changes in legislation, changes in the structure of the Company, in the light of additional knowledge or information becoming available, and in any event annually.

When due to the conditions described above, any part of the Company Policy and procedures manual requires alteration or modification, it shall be deemed to be sufficient and in compliance with this Policy if such alterations or modification are made to the master printed copy held at Head Office, and those changes are notified by a convenient and effective method, to all employees in possession of printed or electronic copies of the manual.

## Responsibility for Policy Implementation

The overall responsibility for the implementation of this policy is vested in the Directors of Beton Bauen Limited.

Responsibilities for different management grades and individuals are detailed in accompanying documentation.
